New Kindergarten Floor

Anthony Krips and Kevin Sheets of AK Flooring in Laurens are installing new floor tile in the Laurens-Marathon kindergarten classroom.

Projects such as this are funded with a special tax levy best known as the "pebble fund," but officially called the "physical plant and equipment levy (PPEL)." The L-M levy must be renewed by the voters this year in the September school board election.

Outgoing L-M superintendent Jeff Kruse said renewal of the tax levy is critical for future budgets. In fiscal year 2016 the only PPEL renewal vote to fail was at Woodward-Granger school district. Twenty eight others were approved. Iowa's smallest public school at Diagonal re-approved its PPEL tax with an 86% majority vote. A renewal vote is good for ten years.

Hometown Pride Bus Tour

This year marks the fifth anniversary of the Pocahontas County Hometown Pride program. Over the program's first five years, more than \$775,000 has been collectively returned to our communities to assist with projects while volunteers from every corner of the county have donated hundreds of hours to complete the projects. Due to the success of the program, Keep Iowa Beautiful has expanded the program to several other counties across the state. Pocahontas County Foundation has also provided funds to each community for these projects. Other agencies and businesses have also partnered with local communities in providing resources for the projects.

A bus tour of the community Hometown Pride projects was scheduled for July 15th but this event has been rescheduled to take place on Sept. 30, 2017. For more information, please contact Gretchen Tiedeman by phone: (712) 335-4636 or email: pcedcmarketiong@verttek.com.

Visitor at the Library

Connie Reinert entertained an crowd at the Laurens Public Library recently. Her statistics and stories of the Albert City Threshermen and Collector's Show interested both show veterans and the general public alike. One of the most intriguing stories was of the 2016 attempt to set a Guinness World record with 120 draft horses plowing. The latest word on that is that they should hear within the next week if it was accepted. Connie also told of the preparations in place for this year's show featuring Case tractors August 10-13.

At the Library with Glenda Mulder July 12, 2017

Today, Wednesday, July 12 at 11:30 a.m. (note the crazy time) comedy artist Tim Read will be here to entertain kids of all ages! His bio says he is an “author, illustrator and so much more. Tim involves the crowd in coming up with ideas when he draws, and with his comedy flair, makes his programs extremely enjoyable.” Sounds like fun doesn't it? He will be presenting his program at all nine Pocahontas County libraries today and tomorrow, sponsored by a grant from the Pocahontas County Foundation.

The “German Iowa and the Global Midwest” exhibit is making its home at our Library until July 17. This joint project of University of Iowa and Humanities Iowa consists of 12 banners that tell the story of German Iowans from when we became a state in 1846 through today. In the early 1900s, Germans were the largest ethnic group in the state, and even in 1990, over half of Iowans claimed German ancestry. Yet with the exception of the Amana Colonies, Iowa's German heritage is largely invisible to modern eyes. This exhibit reminds us why we should not lose sight of the past, and it invites us to think about immigration, diversity, and power more broadly. German Iowans are one part of that larger story, which continues today. These easily portable banners are a great way to make this museum quality exhibit accessible to so many Iowans. Stop at the Library and take a look!

Next Wednesday (the 19th) the fun will resume in the 1 o'clock time slot as we continue to “Build a Better World” each Wednesday this summer. And don't forget the fun of LegoMania all day every Friday!

You've no doubt heard of the book “*A Man Called Ove*”? Well, it's our Book Club choice for July. So stop and get a copy to see what everyone is talking about. Then join the discussion Monday, July 24th at 7 p.m. Also welcome are readers who have already enjoyed that book!
